SUPPLEMENTARY INFORMATION:

An Advance Notice of Proposed Rulemaking was issued in this proceeding on May 16, 2000 (65 FR 31130), to address the

issue of reasonable fees that may be assessed for accessing tariff systems. Based on comments received and existing circumstances, the Commission determined that promulgation of an actual Proposed Rule on this matter was not necessary. Instead the Commission directed the staff to issue a Circular Letter which provided guidance to common carriers, conferences and tariff publishers as to what costs the Commission believed should not be recovered in establishing tariff access fees. The Circular Letter was issued on October 6, 2000.

In view of the foregoing, this proceeding is hereby discontinued.

By the Commission.
