Subject: Docket No. 10-03, RIN3072-AC38, Pantainer Ltd. Request to present oral comments - May 24, 2010

Karen, I hope that this finds you well.

I would welcome the opportunity to present oral comments regarding the NVOCC Negotiated Rate Arrangements NPRM at the FMC Meeting on May 24, 2010. This is a very important and serious issue for me personally and for our company, since Pantainer, Ltd. is a foreign NVOCC represented by Licensed Resident Agent, Panalpina, Inc. (375F).

This is the first time I am requesting to do anything like this, so I would appreciate your guidance. Is this informal email request enough (or appropriate) to request an opportunity to present oral comments, or does the protocol require a written request to be mailed to you? Also, do you require those oral comments to be submitted in writing as well?

I will be visiting the East Coast next week, and will extend my stay to enable me to attend this meeting. I look forward to your comments / confirmation.

Thank you, Karen.
