

2. Presently, Barsan must file its reply to Complainants' Exceptions with the Commission by March 12, 2014. Barsan seeks a 14-day extension of time, until March 26, 2014, to respond to Complainants' Exceptions.

3. Rule 228 of the Commission's Rules of Practice and Procedure, 46 C.F.R. § 502.228, permits a party to file a motion seeking an enlargement of time for filing of exceptions. Such motions must set forth their reasons and be submitted at least five (5) days before the scheduling date for filing. 46 C.F.R. § 502.228.

4. Barsan's Motion is timely submitted. Barsan's reply to Complainants' Exceptions to Initial Decision is not due until March 12, 2014. Barsan files this Motion on February 24, 2014, more than five days before the date on which currently it must respond to Complainants' Exceptions.

5. Good cause exists for enlarging Barsan's time for responding to Complainants' Exceptions. Counsel has other pressing filings and in order to consult with the client and to ensure full and fair consideration of the issues raised in the Exceptions, an extension of time is necessary.

6. Barsan and Complainants have conferred about this matter and Complainants have informed Barsan that they do not contest the relief sought by this Motion.

WHEREFORE, Barsan respectfully requests that the Commission allow it a 14-day extension, until March 26, 2014, to respond to Complainants' Exceptions to Initial Decision.

Respectfully submitted,

---
