Dear Ms Gregory,

I'm a small business owner and my concern with this increase of bond rider will just put me right out of business.

I'm just a small company trying to follow every rules and regulations and this increasing of the bond rider will really hurt us.

Of course the big companies and companies that don't have licenses will have no problems.

Pls keep it as it is for now and maybe revisit the proposal when the economy is getting better.

Best Regards,

Carla Leung
