ORDER SCHEDULING PRE-HEARING CONFERENCE

It is hereby **ORDERED** that this matter be set for a telephone pre-hearing conference on August 26, 2015, at 1:00 pm eastern time. The conference is scheduled to last no more than one hour. Every party who intends to participate in the telephone conference must contact the Office of Administrative Law Judges at judges@fmc.gov or 202-523-5750 on or before Wednesday, August 19, 2015, to obtain call-in information.

All parties are required to participate in the telephone conference. The parties will have an opportunity to explain their positions on the notice of default and order to show cause, the status of discovery, whether there are any factual disputes, and settlement.

Failure to participate in the telephone conference will waive a party's right to be heard on these issues and may be grounds for default judgement. Parties will be bound by decisions made on the basis of the telephone conference even if they do not participate. The telephone conference will be recorded, although it is not anticipated that a transcript will be made.
