SUPPLEMENTARY INFORMATION:

The Commission served a final rule in this proceeding on February 18, 1988, with an effective date 30 days after publication in the Federal Register. The notice appeared on February 26, 1988 (53 FR 5770) with an effective date of March 28, 1988.

Various conferences have filed requests for a 90-day stay of the effective date. The conferences stress the magnitude of complying with the new filing requirements imposed by the rule and indicate that the current 30-day period is insufficient to achieve compliance.

Upon consideration of the requests, the Commission has determined to grant a 90-day extension of the effective date of the final rule in Docket No. 85-19. The date the rule will become effective is established as June 26, 1988.

By the Commission.

Tony P. Kominoth  
Assistant Secretary
