

**FMC Form 150 – Information Form For Filed Agreements**

OMB No. 3072-0045, expires 1/31/2027

Agreement Name:

List of Agreement Parties and FMC Organization Number(s):

Brief description of Agreement purpose:

Significant changes expected after the agreement takes effect:

List all authority relied on for the proposition that the proposed agreement is within the scope of chapter 403 of Title 46 of the U.S. Code:

List of names and FMC Organization Number(s) for all regulated entities that share a parent company with any agreement party:

For agreements among Vessel Operating Common carriers that include the authority to discuss or agree on any kind of rate or charge; rationalize capacity; establish a joint service; pool authority; or discuss or agree on any service contract matter, include a narrative on anticipated changes to vessel calls and/or vessel capacity:

For Marine Terminal Operator agreement parties, list any joint terminal service agreements with vessel operating common carriers:

**Data Attachments required for all agreements subject to Part 535, Subpart E**

Vessel Operating Common Carriers

Please complete the VOCC tabs in the Excel template for all VOCC parties to the agreement. The specific data requirements are based on agreement scope. The "VOCC\_Port Calls" tab must be completed for all VOCC agreement parties.

Agreements that contain the authority to discuss or agree on any kind of rate or charge; rationalize capacity; establish a joint service; pool authority; or discuss or agree on any service contract matter are subject to the data requirement for all VOCC spreadsheet tabs. The attachment submitted with this form must be the FMC-provided Excel template and conform with the structure and requirements of the template. Other file formats will not be accepted.

Please enter the filename(s) of the data attachment(s) below:

If the agreement parties assert that the agreement does not include the authority to discuss or agree on any kind of rate or charge; rationalize capacity; establish a joint service; pool authority; or discuss or agree on any service contract matter, please indicate this in the box below:

### Marine Terminal Operators

Please complete the MTO tabs in the Excel template for all MTO parties to the agreement. The specific data requirements are based on agreement scope. The “MTO\_Overview” tab must be completed for all MTO agreement parties. For port authorities, this information may be aggregated across all container terminals.

Agreements that contain the authority to discuss or agree on rates or charges; collectively allocate or regulate terminal services; establish joint service; or pool or apportion cargo traffic, earnings, revenues, or losses are subject to the data requirement for all MTO spreadsheet tabs. The attachment submitted with this form must be the FMC-provided Excel template and conform with the structure and requirements of the template. Other file formats will not be accepted.

Please enter the filename(s) of the data attachment(s) below:

If the agreement parties assert that the agreement does not include the authority to discuss or agree on rates or charges; collectively allocate or regulate terminal services; establish joint service; or pool or apportion cargo traffic, earnings, revenues, or losses, please indicate this in the box below:

### **Documents required for all agreements subject to Part 535, Subpart E**

- For entities other than port authorities, submit two years of annual reports, audit reports, or other financial reports for each agreement party.
- For port authorities, submit the most recent annual report and description of marine terminal operations and governance structure.
- All studies, surveys, analyses and reports that were prepared by or for any officer(s), director(s), or other individuals exercising similar functions, for the purposes of evaluating or analyzing any activity contemplated under the proposed agreement or modification thereto with respect to market shares, competition, competitors, markets, potential for growth or expansion into product or geographic markets. In the alternative, please indicate if no documents responsive to this request are within the party’s custody, possession, or control.

Please enter the filename(s) of the document attachments(s) below:

Agreement Party Points of Contact. Please provide information for the point(s) of contact for FMC communication regarding the agreement.
