

An abstract graphic on the left side of the slide. It features a dark purple background with various colorful geometric shapes, including circles, ovals, and elongated rectangles in shades of orange, red, green, blue, and yellow. These shapes are arranged in a dynamic, overlapping pattern that suggests movement and diversity.

Port Best Practices

NWSA TASK GROUP

NW Seaport Alliance BCO “Task Team”

- **Purpose:**
- Identify, discuss concepts/solutions for gateway performance improvement.
- Receive guidance from BCO task team members on Best Practices from the FMC National Shippers Advisory Council and what BCO’s desire from a gateway.
- Outline and analyze ideas, develop suggested action plans. Ideas prioritized by the BCOs.
- Advance concepts to appropriate stakeholders for review and potential enactment.

First area of focus: Drayage and Trucker Experience

– BCO perspective

- Mapping the dray process
- Identify key issues and the corresponding supply chain impacts from the BCO perspective
- List opportunities to address and improve the process – BCO perspective
- Develop and prioritize processes that work well and those that could be improved.

Next step:

- Share feedback with key stakeholders to inform existing efforts around drayage.
